

My Village School Family Agreement

Purpose of This Agreement:

At My Village School, we believe in fostering a learning environment that aligns with our values of sustainability, community, and respect for the land and neighborhood. This agreement outlines our expectations for families to help preserve the character of our school and surrounding areas. We understand that circumstances may arise requiring flexibility, and we appreciate open communication when exceptions are needed.

Transportation & Neighborhood Considerations

1. **Use of School Transportation:**

To minimize traffic congestion, protect the rural nature of the area, and reduce the impact on the land, we request that families utilize the provided school bus service whenever possible. The school bus system is designed to safely and efficiently transport students while maintaining the peaceful atmosphere of the community.

2. **Personal Drop-Off & Pick-Up:**

We recognize that situations may arise where using the bus service is not feasible due to health or medical reasons, early pick-ups for appointments, or other necessary obligations. In such cases, families are asked to follow designated drop-off and pick-up protocols to minimize traffic disruption.

3. **Traffic Management & Land Preservation:**

My Village School is committed to maintaining the integrity of our environment. Families driving to and from campus should adhere to designated routes and speed limits, park only in approved areas, and be mindful of the impact on local roads and natural surroundings.

Commitment to Community & Sustainability

4. **Respect for Rural Character:**

Our school is designed to integrate with and respect the rural landscape. Families play a vital role in maintaining this vision by minimizing unnecessary vehicle traffic, using shared transportation when possible, and engaging in school activities that promote sustainability.

5. **Flexibility & Understanding:**

We recognize that each family's circumstances are unique. If an exception to the transportation guidelines is needed, we encourage families to communicate with the school in advance to ensure smooth operations while maintaining our shared goals.

6. **Community Cooperation:**

We ask for a collective commitment to following these guidelines to ensure that My Village School remains a welcoming, nature-focused, and harmonious space for all students and families.

By signing this agreement, I acknowledge and support the mission of My Village School in maintaining a sustainable and community-centered environment. I understand the importance of these transportation guidelines and will do my best to adhere to them while communicating any necessary exceptions in advance.

Parent/Guardian Name: _____

Student Name: _____

Signature: _____

Date: _____

Thank you for being a valued part of My Village School and for helping us protect the character of our community!
