Motion to approve - Kent, Cheryl second

3. Outreach- Next submission- Tabled until after Town Meeting.

4. Subcommittee Topics:

a. CPCNH - bills submitted to House- Utility not playing fair -bills shot down against what the utilities were doing - comment on bills for/against.

b. Generation- watching for grants-Select Board did not want to do a warrant article this year. New municipal solar grant - from NH Dept. of Energy- most likely to start this summer.

c. Distributed Battery- Discussion re community outreach/battery information session by installers.- April Meeting .-- John and Fred gave ideas as to what might be needed by residents-depending on whether they have solar now, or generators.

d. Cell Coverage-status/next steps- Fred acquired an app which allows him to drive around and measure coverage throughout the town. He showed examples. It will take some time to put the data in a form that is usable. Kent mentioned someone, named Craig, who knows all about cell dead spots and how to fix them. Kent to ask Craig to come and discuss his ideas with us.

5. Weatherization – Warrant Article for Library- Next step is to present at the Town Meeting-

6. New Business/Discussion: John's term is up in April and wants to be reinstated. Tom to contact Kal.

7. Adjournment -Motion to adjourn by Kent and Tom seconded.

Meeting adjourned 8:35 pm.
