

**Canterbury Energy Committee Meeting**  
**Monday, June 9, 2025**  
**DRAFT Meeting Minutes**

Attending: Ruth Heath, Beth McGuinn, Ron Litalien, Beth Blair

Absent: Jeff Beltramo, Steve Lundahl; Sarah Stremper

1. Approve Meeting Minutes – 5/12/2025

Changes: 3.c. – add reason – “because Town of Canterbury already has on site solar”

Approved as amended

Minute taker: Beth McGuinn

1. New Business

a. Municipal Building energy efficiency possible projects

1. Beth B asked about priorities
2. Committee wants to know what has been done – have all area LED lights been installed? Fans and refrigerators have not been done.
3. Beth B will go over list from the audit with Ken and report back next meeting.
4. Reminder: Jeff was to seek a student to calculate the air flow needed for the municipal building fans

2. Old Business

a. SolSmart - solar friendly zoning for both residences and businesses

1. Ruth talked with Fred – not much happened last month – one more meeting to be held this month
2. Fred went and talked with the planning board – they are interested in upgrading solar guidance, but board is not interested in doing work
3. Lots on planning board’s plate – we’ll have to do the work to make this happen, and keep it in front of the Planning Board

4. CENH template solar ordinance will be available soon
  5. Ruth will email Ken to ask if building inspector watched last month's video and also ask about who would be involved in creating a solar permitting checklist; and will also pick up signed SolSmart form from Greg Meeh.
- b. Education initiatives update – dates confirmed
1. Electric Petting zoo – September 10
  2. Workshops: solar, batteries, heat pumps – Oct 7, Nov 18, Jan 13 (snow date Jan 20) – topics will be matched with dates this summer
  3. Beth and Sarah will get together to plan
- c. LED streetlights – no activity
- d. WindowDressers update
1. Working to get more orders
  2. Looking for someone to work on communications – possibly Sarah S?
  3. Measuring has begun
3. NH Energy workgroup – municipal energy committees meeting June 12 Thursday – at noon on line. Sarah Brock will be asking about what Energy committees could use a CENH intern. See [NHNetwork.org](http://NHNetwork.org) for more information.
