

Appendix B Canterbury Historic District Commission Application for Certificate of Approval

Preliminary Meeting: If desired, prior to the completion of an application, applicants may request a "preliminary meeting" to provide an opportunity for the HDC to become acquainted with the proposed project and to help the applicant ascertain what information is required to complete the application and to present at the public hearing. The "preliminary meeting" is a non-binding, working session. A short written description of the work to be performed, including a diagram, sketch, or plan illustrating the projected are helpful, as are photographs of the existing site and/or building which will be impacted by the projected.

Application: Please review the following regulations and procedures in completing the application. The HDC will render a decision on the completed application within ten days of the public hearing.
